SUPPORT LOCAL TEXAS BREWERS

GET THE GLASS

NOVEMBER 28 | SMALL BUSINESS SATURDAY

For the eighth year, small businesses across Texas are joining together to release a special beer glass for Small Business Saturday. This year's limited edition glass was created by Thomas Rodgers, a designer and illustrator based in Denton, Texas. Celebrating some of the Lone Star State's most iconic flyers, the design features the golden-cheeked warbler, Mexican free-tailed bat, and monarch butterfly. From the skies above Texas to the landscapes they call home, these winged wonders highlight the beauty, biodiversity, and unique character of our great state. Stop by a participating location to grab this year's glass and you'll support both that small business and the Texas Craft Brewers Guild, the nonprofit championing Texas craft beer through advocacy and education.
